17. PAYSCHOOLS CENTRAL SPECIFIC SERVICE TERMS

The following terms are specific to the PaySchools Central service offered by PaySchools:

(a) Payment to Schools

(i) Depending on the payment methods approved by your student's School, you may make payments by using either a credit card or U.S. financial institution account. Use of the payments you make to your student's School is governed exclusively by your agreement or arrangement with the School, and we are not responsible for the School's handling of payments after the School receives the funds.

(ii) Payments will be processed promptly for your student's use. However, a number of factors, several of which are outside of our control, will contribute to when the funds are received by the School. We make no

representations or warranties regarding the amount of time needed to complete processing, such as delays in the banking system or the

U.S. mail service. If you have any questions regarding payments made by use of our Services, please contact the PaySchools Support Center as set forth in Section 19 below.

(b) Payment Ownership, Scheduling, and Disbursement.

(i) Funds transfers you make may be held for up to three (3) business days prior to disbursement to a School. Once payment to a School has been scheduled, you may not cancel or change it. Your only recourse is to pursue a refund in accordance with Section 18(g). PaySchools reserves the right to refuse to cause to be processed any payment if we reasonably believe that your activity, or the transaction if processed, would result in you being in violation of these Terms of Use or in violation of applicable law. In such event we will attempt to promptly notify you if we decline to process a payment. Notwithstanding the foregoing, we will have no obligation to notify you if we reasonably believe you have engaged in any prohibited activity listed in Section 7.

(ii) Once you transfer funds designated for payment to a School, you have no further rights in those funds subject to Section 18(g) below. Prior to disbursement in accordance with your instructions provided during the registration process, PaySchools shall cause to be deposited all funds received from you in a non-interest-bearing deposit account at a financial institution in the United States. Such account is owned and maintained by its payment processor (the "Settlement Account"). The Settlement Account will be a commingled account containing funds for other customers of PaySchools's payment processor in addition to the funds deposited for the benefit of the Schools. PaySchools shall maintain records of subaccounts for each School ("Subaccount(s)"). PaySchools is not a bank, savings and loan or regulated financial institution. PaySchools is not a money transmitter. At no time does PaySchools own, control, or transfer the funds in the Settlement Account, which are owned and controlled by PaySchools's payment processor. PaySchools uses Instruction Based Funding services provided by its payment processor to cause the fund transfers required for the Services. PaySchools's payment processor will initiate funds transfers to Schools from the Settlement Account consistent with funding instruction files received from PaySchools. Neither you nor the School will receive interest on any amounts transferred for time which elapses during payment processing.

(C) Reversals, Returns and Chargebacks. The School agrees to be liable for any reversals, returns, or chargebacks ("Disputed Amounts") incurred by PaySchools, and authorizes PaySchools to instruct its payment processor to set off the amount of such Disputed Amount against funds held in the School's Subaccount in order to reimburse PaySchools for the amount of such Disputed Amount, and if the balance in its subaccount is insufficient to cover the Disputed Amount, the School will immediately upon request from PaySchools transfer funds to the Settlement Account for credit to PaySchools in the Disputed Amount.

(d) Recurring Payments. You may authorize PaySchools to cause its payment processor to initiate recurring payments to the School you designate based upon an agreed upon schedule. PaySchools will make these recurring payments unless and until PaySchools receives and confirms your request for cancellation, and has had a reasonable time to act upon it.

(e) Fees and other Charges

(i) The Services offered through this website are provided by PaySchools and its affiliates. Neither the Schools, the School nutrition departments, nor any individuals employed by the Schools profit from this Service.

(ii) You may be required to pay a fee for your use of the Services. If you are required to pay a fee, we will disclose the fee to you before you complete your payment. If you do not wish to pay the fee, you will not be obligated to proceed with the transaction. The fees will vary based on the School's contract with PaySchools.

(f) Returned/ Uncollectible Check or Electronic Payments. PaySchools reserves the right to take certain actions in the event that a check or electronic payment cannot be collected or paid for any reason, including, but not limited to, insufficient funds or invalid account or bank information. These actions include, but are not limited to, charging a returned payment fee, deducting the uncollected amount from the student's account(s), deducting the return payment fee from the student's account(s), and/or taking any other actions allowed by law. The returned payment fee will not exceed the maximum amount allowed by law. We also reserve the right not to accept payments by such payment channel for the student in the future.

(g) Refunds. If you or the student are not satisfied with any good or service purchased with a payment, you agree to resolve the issue with the student's School. The methods for refunds are determined solely by the Schools, and you agree to not seek refunds from PaySchools or any of its affiliates. If you would like a refund of any payment amount that has not been used by your student to purchase goods or services, you must contact the student's School directly. All refunds are the responsibility of

the Schools.
